

APPLIED MATHEMATICS AND NONLINEAR SCIENCES

Dear Dr. **Wenrong-Sun**.

I am pleased to inform you that your paper entitled “**Mechanism of singlet-like vector lepton production and Higgs autocoupling in future positive-negative electric lepton colliders**” (T9-61) has been accepted in *Applied Mathematics and Nonlinear Sciences* (ISSN: 2444-8656) on November 3rd, 2023. The paper will go to production with a potential time to appear online depending on the production pipeline, usually about 9 months from acceptance.

Cartagena, November 3rd, 2023
